ENTERING SAMOA

It is important that you help us Protect Samoa from Pests and Diseases. You must Declare or Dispose of any Risk Items at the Port of Entry. You might have goods with you that could be carrying pests and diseases. Samoa being vulnerable to changes, these pests and diseases could cause havoc to our country's environment and economy, Thus creating stress to the livelihoods of our people and children.

FOLLOW THESE 3 SIMPLE STEPS

1. Complete and honestly fill out your Passenger Arrival Card. Declare any risk goods
2. Dispose of any risk goods or agricultural items that you have not declared, in the Biosecurity Amnesty Bins
3. Present your Passenger Arrival Card to our Quarantine staff. Declared risk goods may then be inspected. Your bags may be sniffed by detector dogs, x-rayed or searched

WHAT HAPPENS TO DECLARED GOODS

After inspection, our biosecurity officers would return your declared goods if they are safe or have met Quarantine requirements. However, some goods may require treatment. Any prohibited items will be destroyed.

RISK GOODS YOU MUST DECLARE

All of these goods are a risk to Samoa and must be declared. If you are not sure, declare.
